

John Prototype

the assembly of all parts

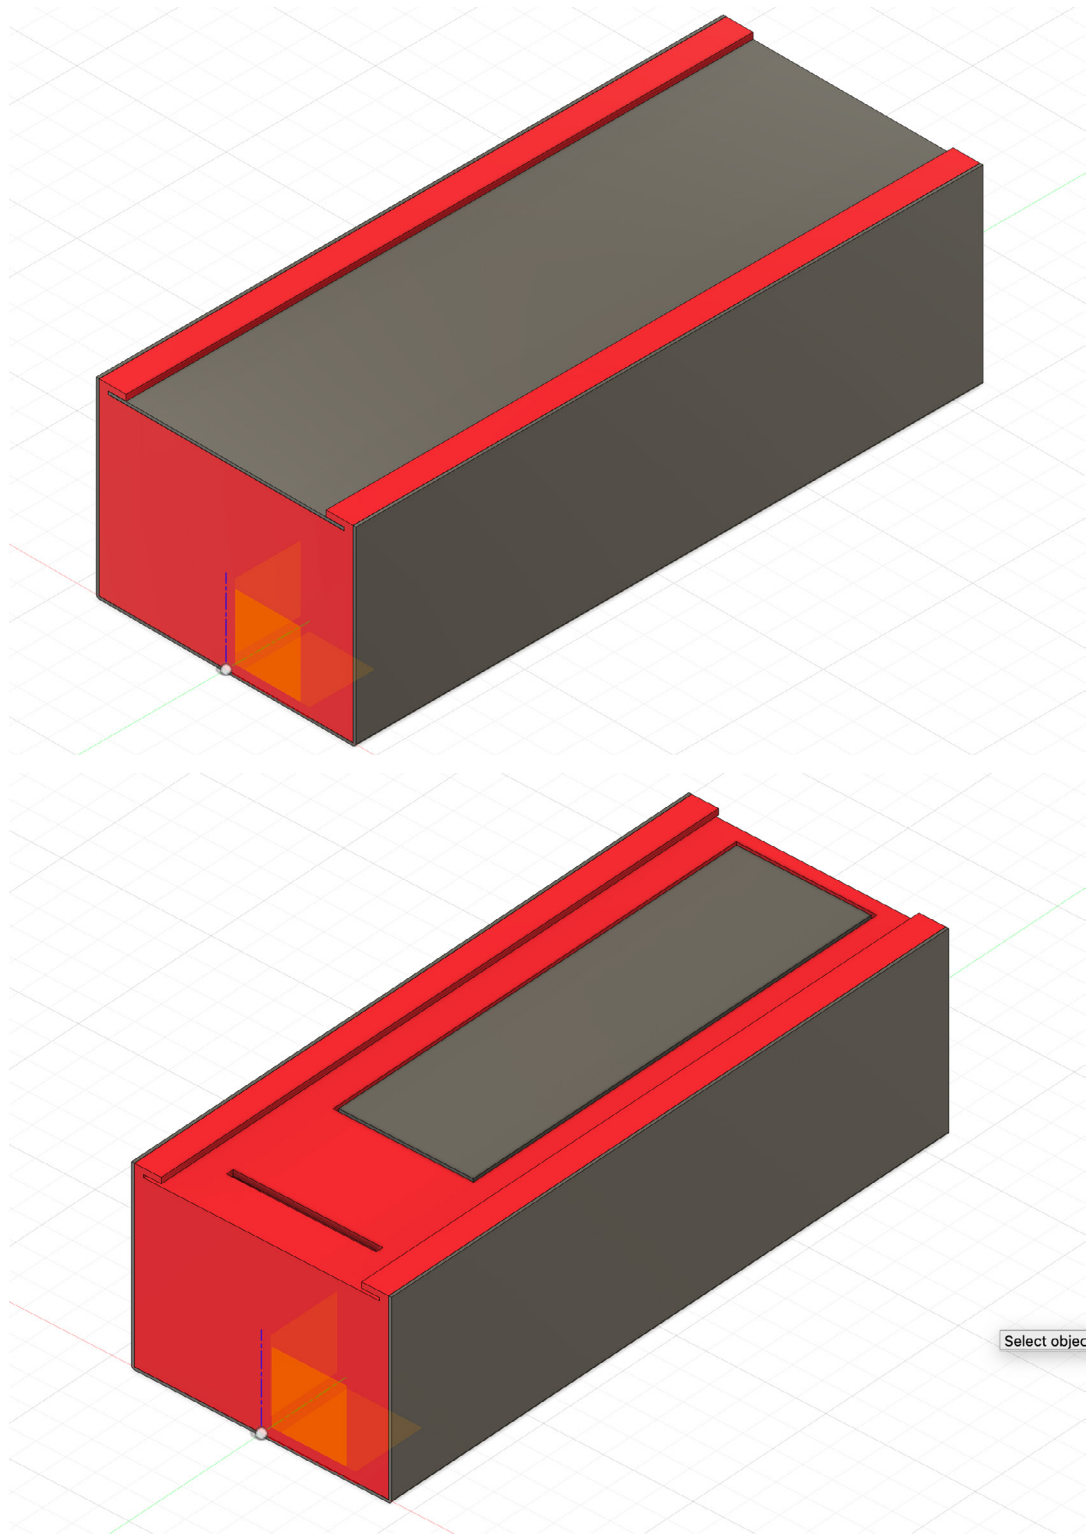

1. Station

- A. Inside Box (Printer_lipo)
- B. Slider/Opener
- C. Cover

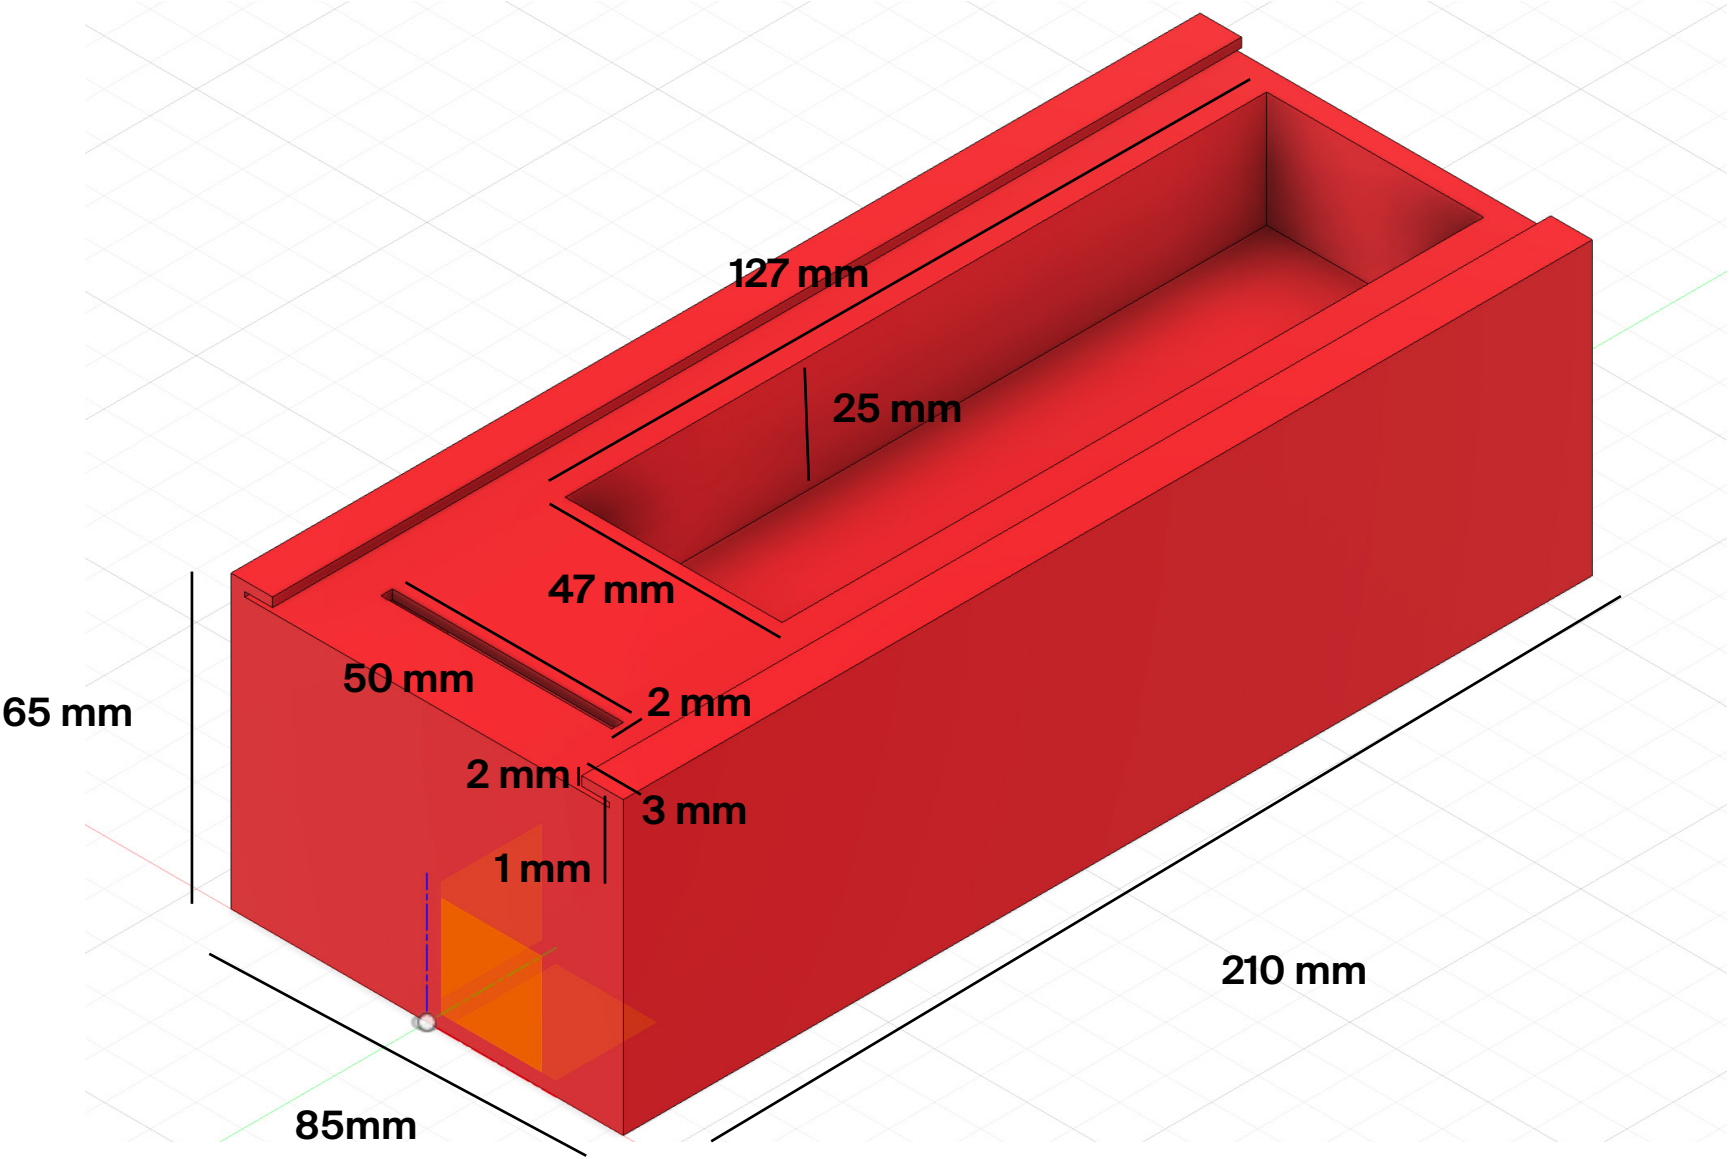

2. Portable part

- A. Outside Box (GPS+nfc tag?)

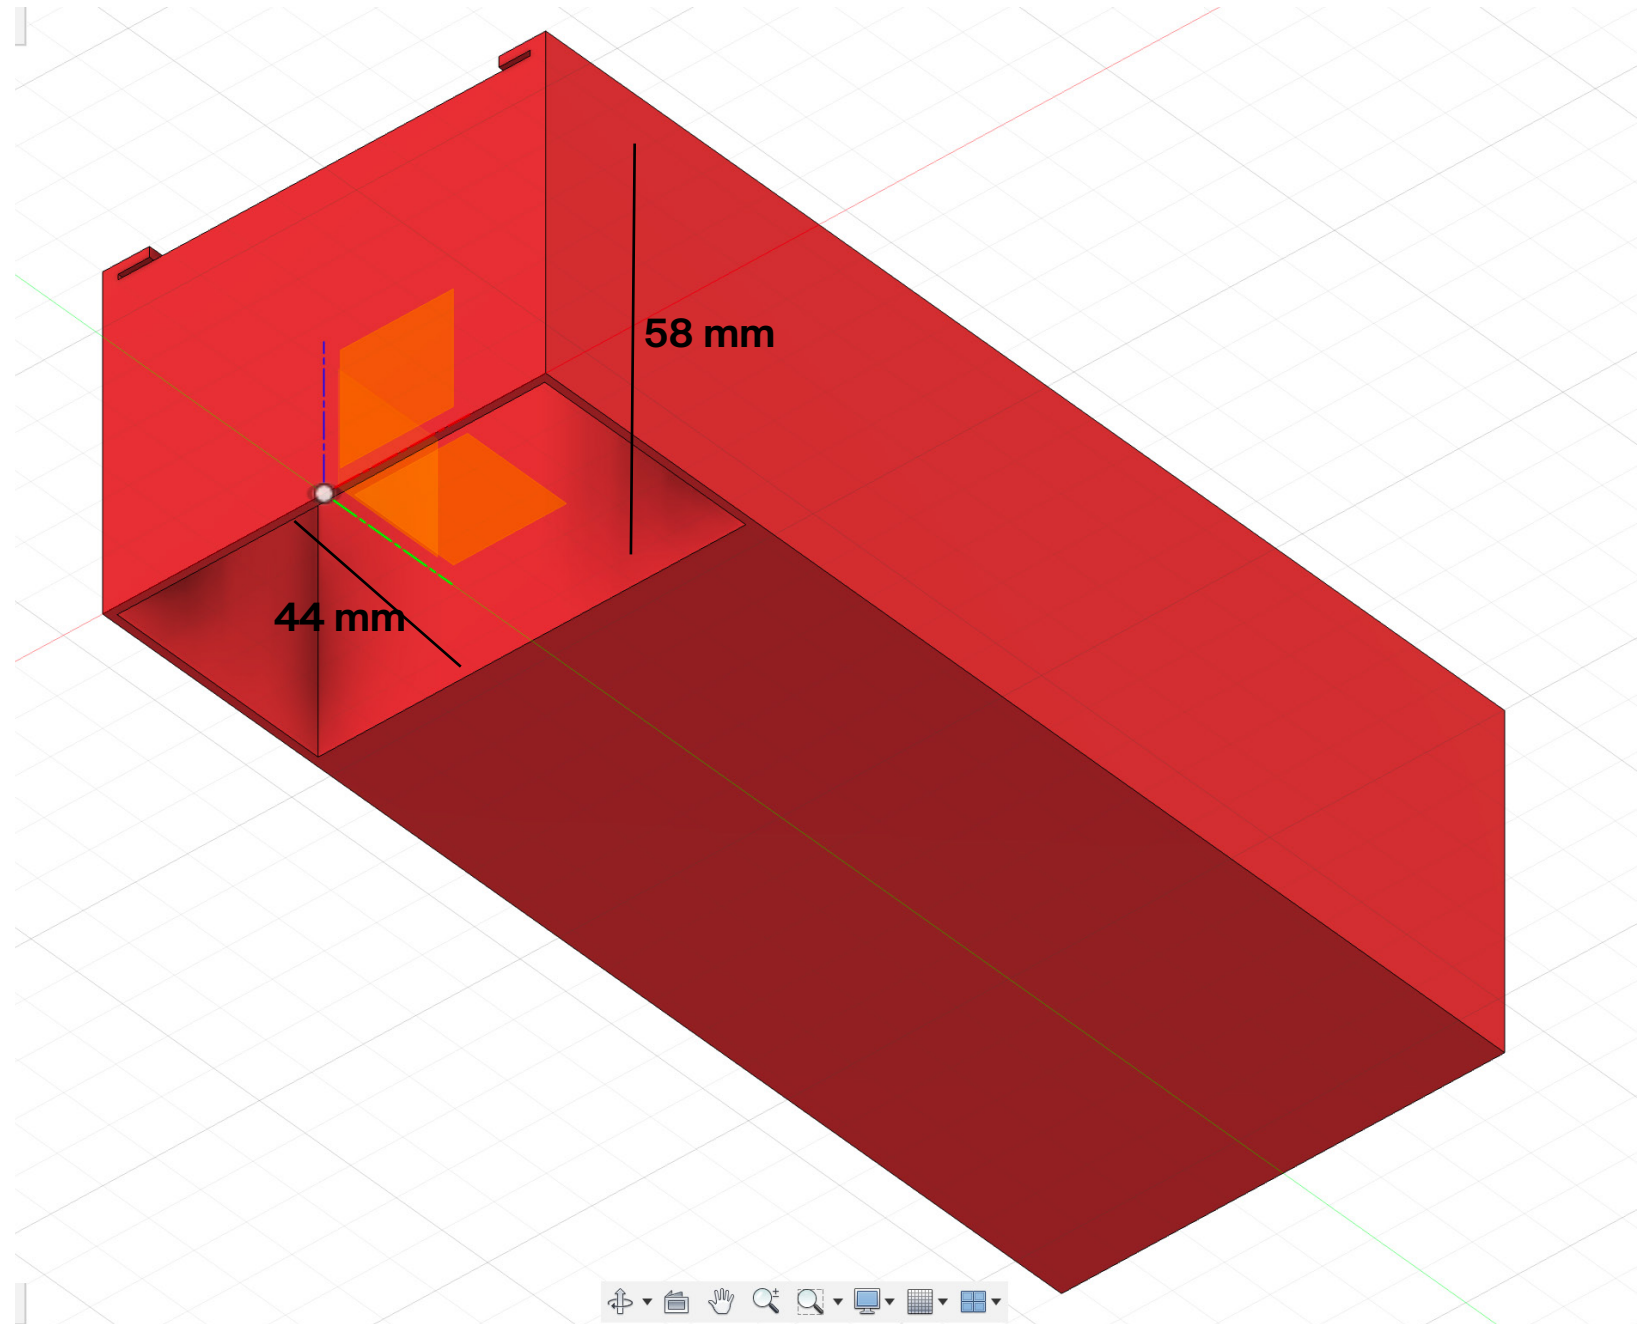

*need to rediscuss lots of stuff

1.A. Inside Box
3D Plastic

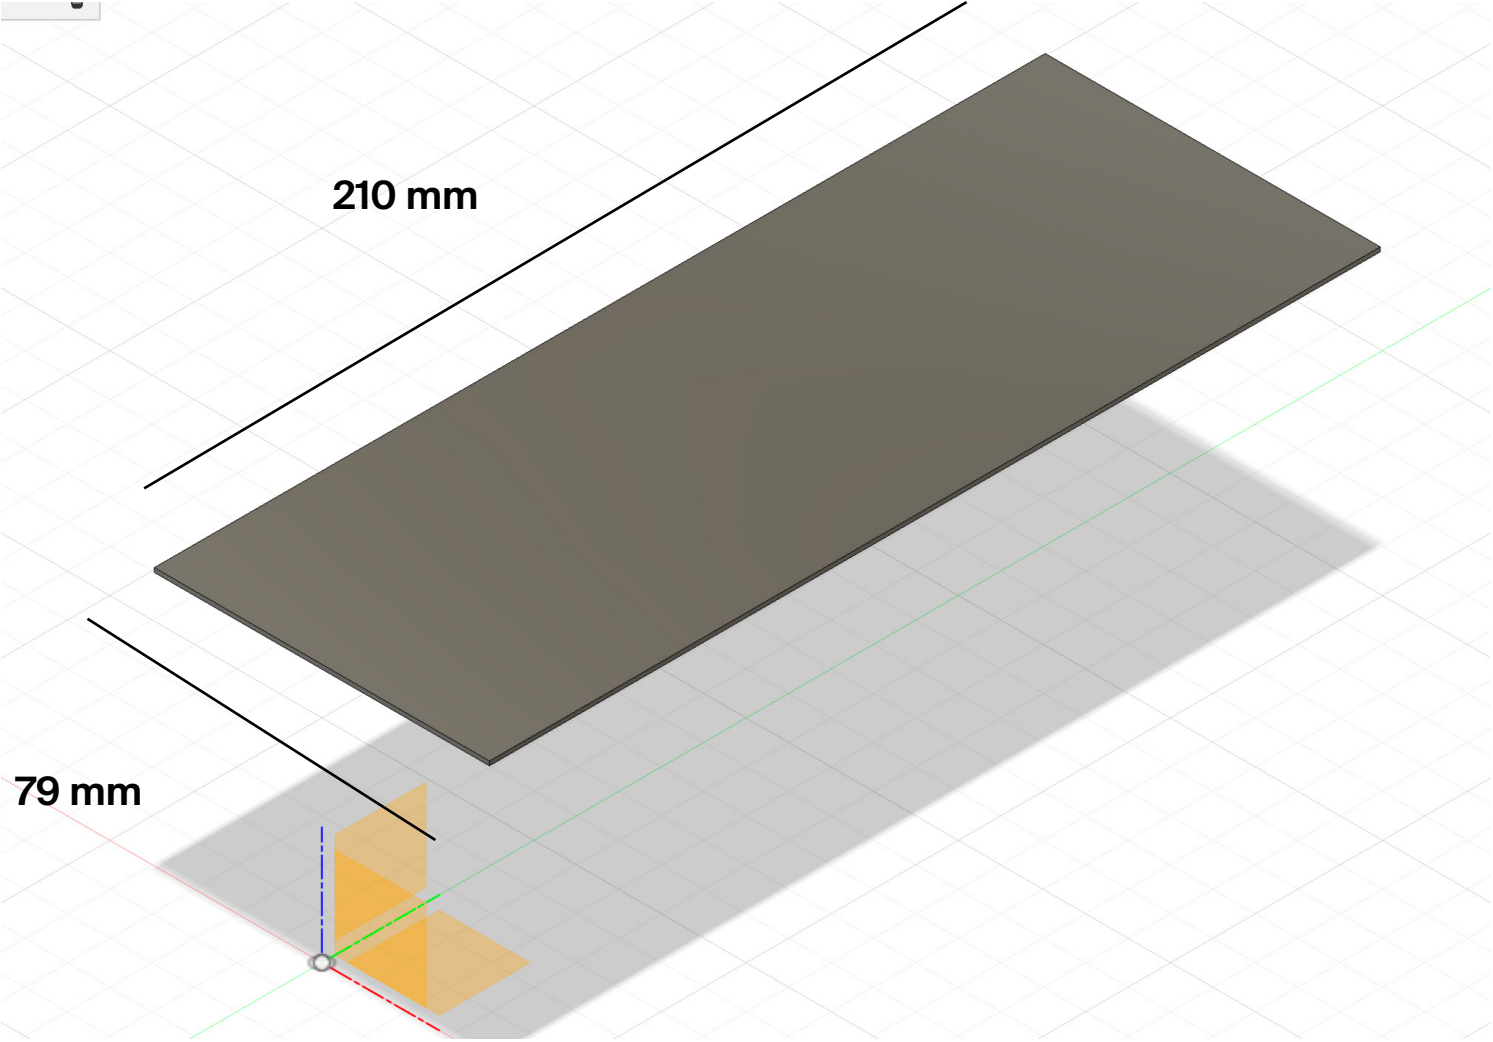

1.A. Inside Box 3D Plastic

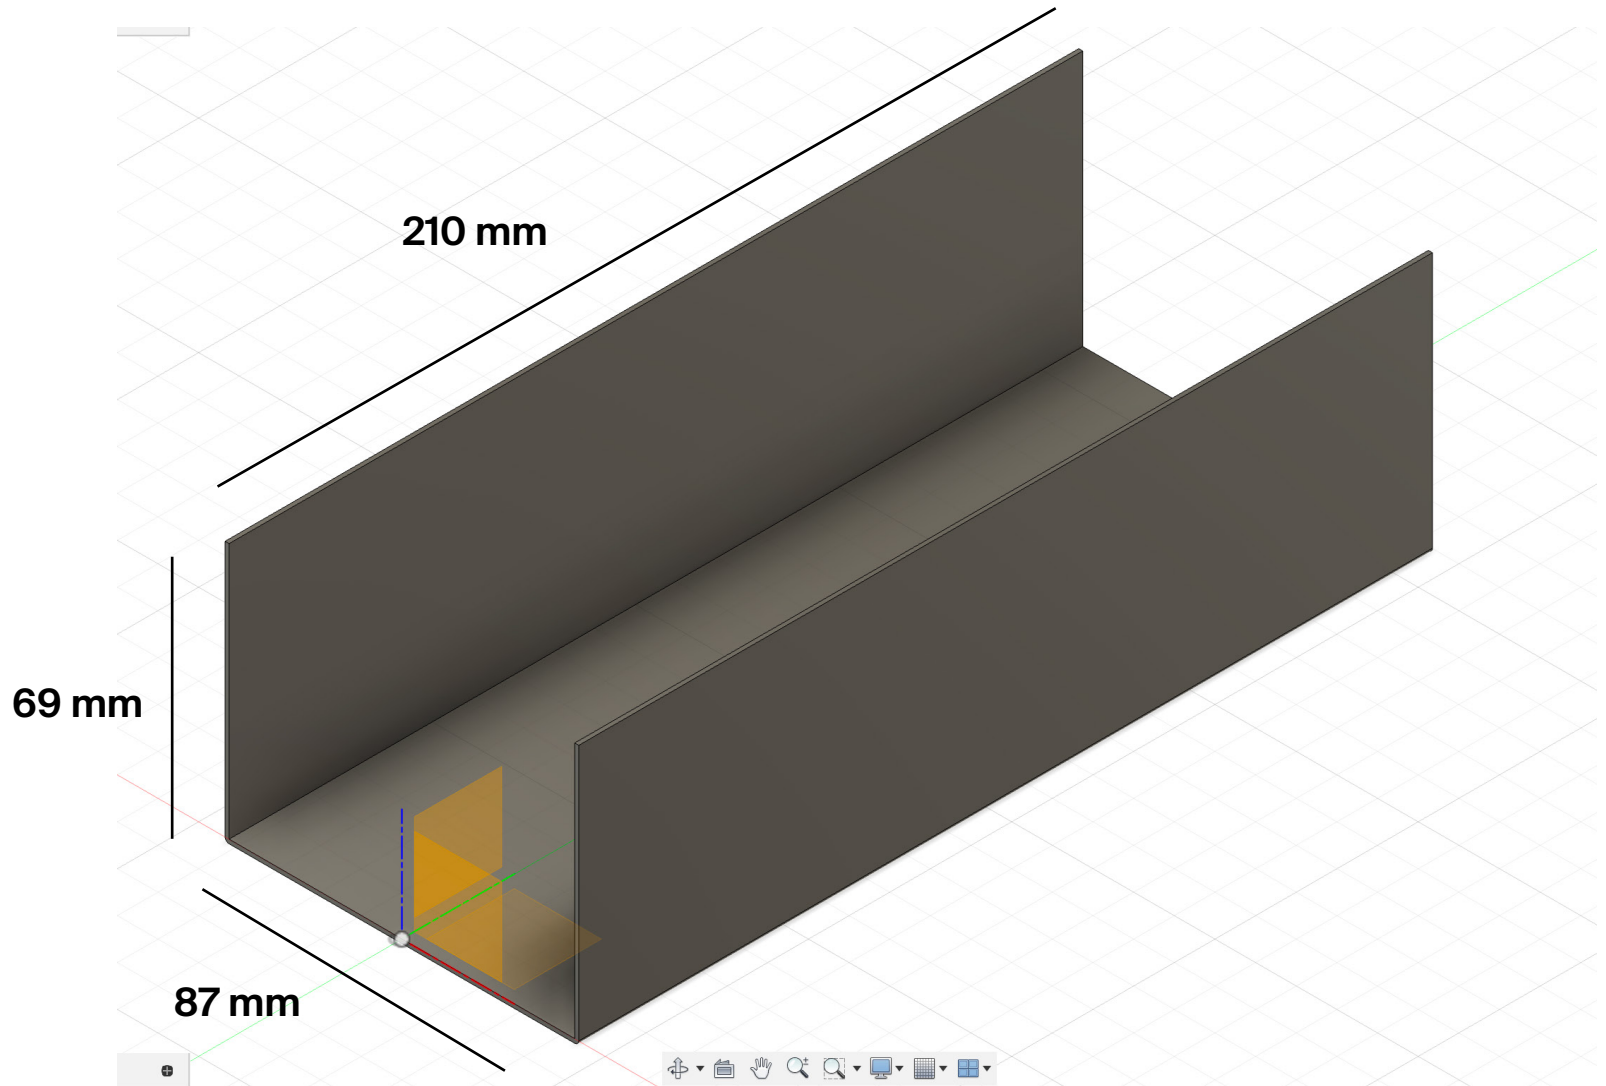

printer goes here
for lipo i need to see it myself

1.B. Slider/Opener
1mm aluminuim sheat

1.C. Cover
1mm aluminuim sheat

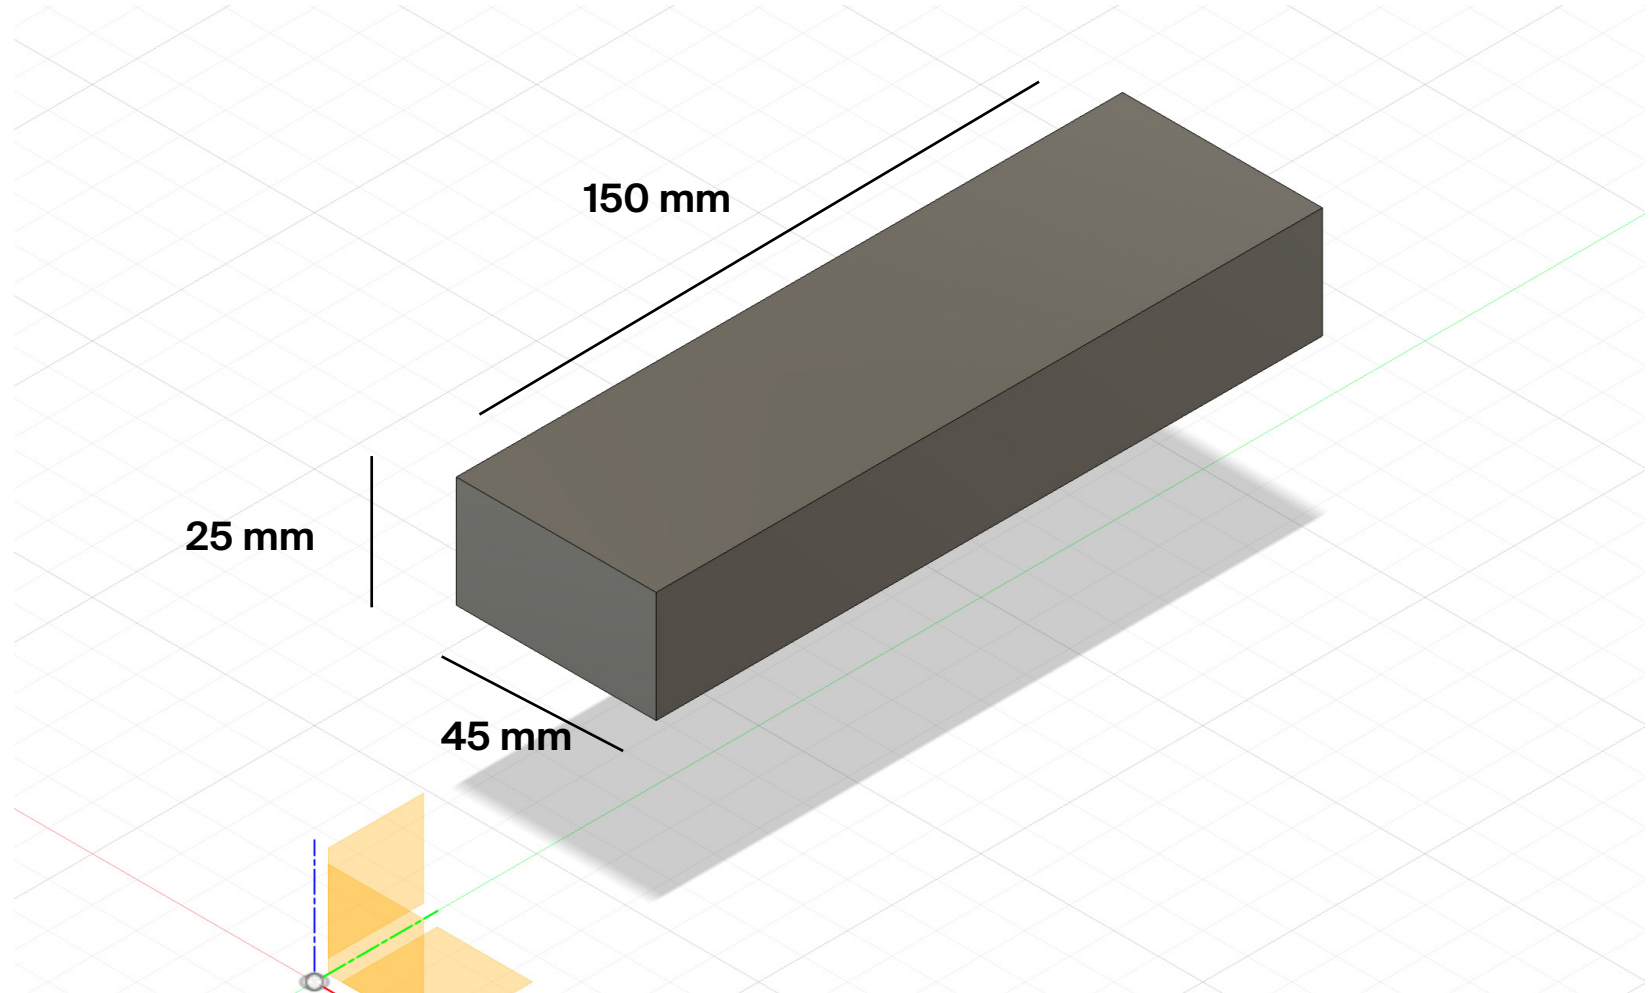

***needs some screws but which?**

2.A. Outside Box (GPS+nfc tag?)

1mm aluminuim sheat

gps+nfc goes here

* need to redfine this one asap, confused about electronics
